Inaugurated by Prof. Dr. Beate Neumeier in 2002, the quarterly issues of the journal have focused on a multitude of questions from different theoretical perspectives of feminist criticism, queer theory, and masculinity studies. *gender forum* also includes reviews and occasionally interviews, fictional pieces and poetry with a gender studies angle.

Opinions expressed in articles published in *gender forum* are those of individual authors and not necessarily endorsed by the editors of *gender forum*.

## **Editorial**

1        **Genderealisations** is the first issue of the new electronic journal **gender forum**. It features informative survey articles by internationally acclaimed critics. While the first two essays provide an overview of the status of feminism in Germany and the United States, the latter is concerned with the discussion of gender and postcolonial issues. Reviews related to this research complete the issue.
